

Department of Botany - Applicant Course History Form University of Wisconsin – Madison

Applicant Name: _____

Please use this form to highlight botany, biology and other relevant science courses (e.g. chemistry, physics, statistics) you have taken, the course level (E = elementary, I = intermediate, A = advanced, or G = graduate), the year you took the course, and the grade you earned. Add additional rows as necessary. Save the document as an Adobe PDF and include your last name in the file name. For example, if your last name is Marigold, use the file name: Marigold_Course_History_Form.pdf

Upload the completed document in the Supplemental Application section of the UW Graduate School online application at <https://www.gradsch.wisc.edu/eapp/eapp.pl>
