

BOTANY STUDY PLAN FORM

Student: _____ **UW Student ID:** _____ wisc Email: _____
Botany Faculty Advisor: _____ **Semester:** Choose from list: _____ **Year:** _____
Graduate Student Mentor (if applicable): _____
Laboratory Manager/Safety Officer: _____

Course Enrollment: Choose from list:

Specify 575 course name (if choosing Botany 575): _____

Specify other department (if completing thesis outside of Botany): _____

***Please note:** To complete the independent research/senior thesis requirement the student must submit their report/senior thesis to the student services coordinator and it must include a signed cover page by the faculty advisor.

Study Plan: (In a short paragraph describe what will be studied, please attach additional page if needed.)

Meeting Time and Place: (How often will the student & faculty meet? How many hours is the student expected to work on the project & where?)

Earned Credits: The student will enroll in _____ number of credits.

Per UW-Madison policy during fall and spring semesters, 1 credit translates to approximately 3-4 hours of work per week. The student is expected to complete a minimum of _____ (3-4 multiplied by number of credits) hours of work a week during the semester specified above.

Describe how hours will be tracked:

Only used if choosing "other department" for BOTANY senior thesis option - must be signed by advisor & Prof. Cameron.

Senior Thesis Advisor (non-Botany faculty) Print & sign

I certify that this study plan proposal will meet the requirement for senior thesis.

Ken Cameron, Botany Senior Thesis Advisor
